

Corelle Greases a Fashion Show Runway

And Seven Other Commercials of Note

Published: November 17, 2006

[Elf Ears for Phone Talk](#)

Title: Ears

Marketer: Cellular One

Brand: Cellular One

Agency: Barkley, Kansas City, MO

This one almost seems plausible in an age when plastic surgery is available for even the most frivolous and bizarre body changes. Tired of using a cellphone that he could barely hear, our doofus of a hero had his ears elongated. Here, he gets quite defensive when a friend suggests he should have just bought a Cellular One phone instead.
