[Dangers of Your Wife's Moustache](#)

Title: Moustache

Marketer: Sonic

Brand: Sonic Corp.

Agency: Barkley, Kansas City, Mo.

In its latest humorous play off those awkward moments of real life, Sonic hones in on the delicate issue of the female moustache. We watch a bumbling husband puts his foot in it and then drag the agony out with a lame attempt to retract his gaffe. Wonderfully played by actors Molly Erdman and Brian Huskey.
